

# Carshalton Lavender Harvest 2008

## events & attractions at the lavender harvest

The lavender harvest is a popular event every year attracting nearly 5,000 people over the two days. It is fun for the whole family - young and old! There are many attractions including Aromatherapy Advice, barbecue, beekeepers, lavender oil distillation, Lavender cookie tasting, local artists at work, lavender arts and crafts. Of course Carshalton Lavender Body Products are available from Naturallythinking along with onsite hand and foot massage. A wonderful selection of Lavender Herbs & Plants are also available for purchase. We do have a selection of scissors for Lavender picking, but please do bring your own scissors to speed up picking and wear appropriate clothing for the weather.
